Last spring in Technology class your student uploaded three personal photos to Google Classroom, which will be used in the 8th grade tribute video this fall. We'd like you to review these photos and, if desired, upload updates or replacements in the Google Classroom location below. **This is due by the first day of school (August 18th).**

Note that you will not be deleting any files; only uploading additional photos of your student. **Only photos that are uploaded correctly according to the instructions will be included in the tribute video.**

**IMPORTANT:** Our Technology Policy strictly applies. You and your student may only alter your own photos. You are not permitted to download or in any way utilize files that belong to another student.
