

HSA Meeting Notes
September 22, 2023

[HSA Calendar Updates for Tea with Bea](#) - please click the link to see updated calendar information

Carline Updates:

Carline is finishing by 7:55

Parents please remember to have your children unbuckled as your child prepares to exit the vehicle in the carline with backpacks on. In the winter, start preparing to also get jackets on as well. Help your child be completely ready to go when the car door opens.

Please try to keep your infant car seats on the driver's side so your school age children can exit the car easier.

Students should be in their classrooms by 7:50, the late bell is at 7:55, so students who are entering the building after 7:55 will receive a tardy.

Intermediate Updates:

- Students are adjusting well
- Becoming more responsible for turning in and completing homework
- Casual dress days - need to define more clearly
- Uniforms - students are doing well
