

Dear Parents,

I would like to personally invite you to register for the upcoming 2024-2025 school year. Ave Maria Catholic School has experienced incredible growth in the last year. Not only within our school walls, but outside in our community as well. More parents are learning about the faith, love, and excellence Ave Maria brings their students.

Every day our teachers and staff go above and beyond to support our mission of educating the whole person (spiritual, moral, intellectual, physical, social, and emotional). Our teachers truly view teaching at Ave Maria as a vocation. Ave Maria is a place teachers want to be and want to stay. Our staff is highly qualified with over 50% of the staff having a Master's degree and many more in the process of obtaining continuing education. Ave Maria Catholic School has been voted Best of the Best school in Douglas County with the Best of the Best Teacher, Giana DeVito. We truly have the Best of the Best school and staff and our teachers returning year after year is an incredible blessing.

Douglas County has recently approved an average 9% increase in compensation due to the District's teacher retention problems. Although Ave Maria Catholic School is not a Douglas County Public School, we do aim to have a competitive compensation scale for our phenomenal staff. With an approved increase in compensation for our staff, we will need to increase the tuition. The good news is, with over 90% enrollment school wide and waitlists in many classes, we will only need to increase tuition by 4%. This will help us maintain our goal of a competitive salary scale for our teachers who help make Ave Maria Catholic School the strong faith filled community that it is. We are truly blessed to have the exceptional staff that we have that choose to live their vocation by teaching at Ave Maria Catholic School.
