

Ave Maria Catholic School Preschool Program Interest Survey

Please return survey if interested by Thursday, November 9th

Do you have a 3 or 4 year old that may be interested in attending Ave Maria Catholic Preschool? We are looking at our enrollment and would like to see what our current family interest is for our preschool program!

For our 3 year old program, students need to be 3 by October 1, 2024 and fully potty trained. The 3 year old program has 5 different schedule options (see below) that can accommodate your family's needs!

For our 4 year old program, students need to be 4 by October 1, 2024 and fully potty trained. The 4 year old program has 2 schedule options (see below) that help to prepare your child for their Kindergarten experience.
